**Re: Docket UE-210816 (Advice No. 2021-38)
PSE’s Electric Tariff Filing – Do Not Redocket**

Dear Ms. Maxwell:

Puget Sound Energy (“PSE”) submits in connection with Docket UE-210816 the following tariff sheets to replace the sheets that accompanied PSE’s initial October 29, 2021 filing submitted under PSE’s Advice No. 2021-38. This substitute filing includes the following portion of PSE’s WN U-60 Tariff G for electric service:

- 29th Revision of Sheet No. 91, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less
- 7th Revision of Sheet No. 91-B, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less (Continued)
- 5th Revision of Sheet No. 91-C, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less (Continued)
- 3rd Revision of Sheet No. 91-D, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less (Continued)
- 2nd Revision Sheet No. 91-H, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less (Continued)
- 2nd Revision Sheet No. 91-I, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less (Continued)

The purpose of this substitute tariff sheet filing is to revise the effective date of the tariff sheets so that Commission staff and PSE have more time to review these proposed tariff schedule changes and the work papers.

The tariff sheets described herein reflect an issue date of October 29, 2021, and an effective date of January 1, 2022. Notice and posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed in accordance with WAC 480-100-193(1). The tariff changes proposed in the filing do not increase recurring charges nor restrict access to the optional services under Schedule 91. No notice is required under the provisions of WAC 480-100-194 or -195.
