Docket UT-220505**

Dear Ms. Maxwell:

Pursuant to WAC 480-123-070, *et seq.*, U. S. Cellular Corporation ("USCC") hereby supplements its annual certifications and reports in Docket No. UT-220505 as follows:

In its annual certification submitted July 1, 2022, ("Certification"), USCC neglected to include Exhibit K, a map that shows where USCC provides commercial radio service signals in Washington. Exhibit K is too large to e-file and will be sent today on a USB thumb drive via overnight courier. Exhibit K is confidential in its entirety.

If you have any questions, please contact the undersigned directly.

Sincerely,
