SCHEDULE NO. 5
WATER SYSTEM FACILITIES CHARGE
EQUIVALENT RESIDENTIAL CUSTOMER

(N)

Availability

This schedule is available in Lower (DOH ID# 019595) and Suddenview (DOH ID# 12451F) water systems at the Utility's option and capability to maintain Department of Health standards of quantity and quality.

Applicable

Applied to all new applicants for properties not currently served only when surplus system capacity is available, and a direct connection can be made to an existing main with adequate hydraulic capacity and arrangements satisfactory to the Utility are made to construct additional facilities for connection to an existing main.

(N)

Conditions

1. The Utility will own and maintain all materials involved in the allocation of water service.
2. The Water System Facilities Charge will be in addition to any line extension, service connection, or other charges that may be provided elsewhere in this tariff.
3. If further subdivision of the property is made later, each newly created lot will be subject to an additional facility charge upon application for water service. If the service is greater than the residential equivalent, then multiple equivalents may be charged.
4. Exemptions:
 - a. Any end-use customer covered by an existing written contract, which specifies that no charge or a lower charge will be paid.
 - b. Any end-use customer connecting to a water system, which was contributed to the Utility or for which the Utility paid a nominal amount. However, the developer of such system may be subject to the charge.
