Door-to-door service is unscheduled. The actual time the vehicle will arrive to pick up passengers depends on the number of passengers making reservations, and the locations that those passengers request pickup. Rocket Transportation will develop actual routes to balance passenger convenience and company efficiency.

Reservations must be made on at least 24 hours advance notice. Service is available 365 days a year between 7:30am and 7:30pm but Rocket Transportation reserves the right to provide service outside of these hours at its own discretion.
