Re: Avista Corporation – Docket No. UE-230402 – WA Participatory Funding Program – Revised Workpapers

Dear Ms. Maxwell:

This filing includes revised workpapers supporting the tariff sheet included in the Company's original filing on May 31, 2023. The workpapers originally filed included incorrect labeling on one of the supporting schedules related to which rate schedules participatory payments were applicable to. Those changes, included in the revised workpapers, are summarized below:

Participatory Party	Original Applicable Schedules	Corrected Applicable Schedules
Alliance of Western Energy Consumers	Industrial (Sch 25/25I)	Industrial (Sch 25/25I)
The Energy Project	All Schedules	Residential (01/02)
Small Business Utility Advocates	Residential (01/02)	Commercial (11 through 23)
NW Energy Coalition	Commercial (11 through 23)	All Schedules

This had no impact to the calculation of the tariff rates included in the original filing. No other changes were made and the workpapers support the rates included on the Original Tariff Sheet 61 included with the original filing.

Please direct any questions regarding this filing to Marcus Garbarino at (509) 495-2567.

Sincerely,

/S/ Patrick D. Ehrbar
