RE: UE-230793 - Avista Utilities 2025 Electric Integrated Resource Plan (IRP) Work Plan

Dear Ms. Hunter:

On September 27, 2023, in compliance with WAC 480-100-625(2), Avista Utilities submitted its 2025 Electric IRP Work Plan which outlines expectations for its 2025 Electric IRP due on January 1, 2025. Avista unintentionally omitted its tentative Equity Advisory Group (EAG) meeting schedule in the workplan. Avista resubmits its workplan, which now includes the tentative EAG schedule. If you have any questions regarding this filing, please contact John Lyons 509-495-8515 or me at 509-495-2782.

Sincerely,
