Subject: Waste Management–North Sound and Waste Management - Marysville, divisions of Waste Management of Washington, Inc. (G-237);  
Tariff # 19

Enclosed are revised pages 2, 22-25, 27-32, 34, 39, and 41-44 to the above-referenced tariff. The purpose of these tariff revisions is twofold. First, residential, and commercial rates are being adjusted due to the increase in the King County disposal fees. Second, the revisions also reflect the change in the commodity credits for residential and multi-family customers receiving recycling collection services.

Previously filed under E-Filing ID # 6556abc9a8da671b34c1ae80, the attached tariff pages are the corrected tariff pages to go along with the rest of the workpapers filed under this E-Filing ID.
