NOTICE OF ERRATA AND CORRECTED ORDER 01

Re: *In the Matter of the Petition of Avista Corporation d/b/a Avista Utilities for Approval of Deferred Accounting Related to Non-contributory Defined Benefit Pension Plans, Dockets UE-220898 and UG-220899*

TO ALL PARTIES:

On March 23, 2023, the Washington Utilities and Transportation Commission (Commission) issued Order 01 Granting Accounting Petition (Order 01). In paragraph 16, Order 01 incorrectly approved a petition “to change the depreciation and amortization rates for investment in software is granted.” This was a reference to a previous petition in another docket.

The Commission hereby corrects paragraph 16 to read as follows:

- 16 (1) Avista Corporation’s d/b/a Avista Utilities Petition to: (1) defer the expected impacts associated with the occurrence of pension events, and (2) immediately amortize the impact of pension events (*i.e.*, the increase or decrease in regulatory assets or liabilities) to expense over the same period used to amortize the underlying regulatory assets or liabilities is granted.

Corrected Order 01 is attached hereto.

Executive Director and Secretary
