Good Evening Penny,

I am at my wits end waiting for letters of commitment from suppliers and businesses. Unfortunately I do not have all of the ones that I indicated I would have. None the less, I believe that I have the important matters addressed and they are included in this email. I have documents which I will need to send by fax, and they should go along with this document. I will fax them to the records centre. I am also attaching a PDF file which has the updated budget.

The fax will be 7 pages; (1) letter of commitment; (1) Section 3, Section 4 and Section 5; (1) Bill of Sale; (1) Dormel Containers Quote; (1) Balance Sheet; and (2) Kinsey Reports Quote.

Regards,

David Gellatly
