NOTICE SCHEDULE REVISION

RE: *Petition of Comcast Phone of Washington, LLC, for Arbitration with United Telephone Company of the Northwest, Inc. d/b/a Embarq*
Docket UT-083025

TO ALL PARTIES:

At the prehearing conference held on May 27, 2008, the parties indicated their amenability to waiving the regulatory deadlines set out in WAC 480-07-630(11)(b) and section 252(b)(4)(C) of the Telecommunications Act of 1996 with regard to the deadline for the completion of the arbitrator's report and decision in this matter. At that time, the Commission set Tuesday, October 28, 2008, as the deadline for issuing a ruling on the issue presented. *See Order 02, Prehearing Conference Order.*

Due to unforeseen circumstances and workload, the Arbitrator will require additional time to issue the Arbitrator's Report and Decision in this case. Accordingly, the parties have jointly agreed to extend the above-noted deadline by several weeks. The Arbitrator will now issue his Arbitrator's Report and Decision on or before Thursday, December 11, 2008.

Thank you for your consideration.

Sincerely,

ADAM E. TOREM
Administrative Law Judge
