RE: Docket TG-091687 Point Recycling – Temporary Operating Authority

Dear Commission,

I have outlined serious concerns about planning and the long-term future of services in Point Roberts. I do not believe that it is appropriate for the Commission to grant a full Certificate until Whatcom County complies with the State requirements for planning and supporting the Point Roberts solid waste system.

The Commission may feel that it is premature to grant Permanent Authority to Point Recycling for on-call and special clean-up services.

Point Recycling is not opposed to revolving Temporary Authority until such time as Whatcom County provides the Commission with a viable Plan. At that time, Point Recycling would like to opportunity to apply for a full Permanent Certificate within the obligations of that Plan.

Sincerely,

Arthur Wilkowski
