RE: Item 30 tariff page revisions for:

1. G-12 Tariff No 11 for Rabanco LTD (dba Eastside Disposal) **TG-121366**
2. G-12 Tariff No 8 for Rabanco LTD (dba Tri-County Disposal & Rabanco Recycling)  
**TG-121369**
3. G-12 Tariff No 4 for Rabanco LTD (dba Lynnwood Disposal) **TG-121367**

Dear Mr. King:

Please find attached tariff page revisions for check sheets and item 30 pages for the above noted tariff areas. Previously submitted tariff pages had been incorrectly numbered and have now been adjusted to reflect the most recent revision number. We are still asking that this change become effective on April 11, 2014. Pursuant to commission order 03 we believe this does not require less than statutory notice. Additionally, please note that tariff number 8 is currently under suspension subject to refund.

If you have any questions please don't hesitate to contact me.

Sincerely,
