Re: Docket No. UT-061625 – Petition for Approval of AFOR  
CORRECTION to *Qwest's Draft Customer Notices*

Dear Ms. Washburn:

Qwest hereby advises the Commission that it has discovered an error in its Business Customer Notice filed on October 1, 2007. The first page of that notice contains a description of how customers' service will be affected, and has bullet points for Directory Assistance and Service Connection Fees. Those items apply only to residential service, not to business service, and will therefore not be included in the final notice that is sent to customers. Please find twelve (12) copies of the corrected Business Customer Notice enclosed.

Sincerely,

Lisa A. Anderl
