> RE: *In re Petition of Olympic Pipe Line Company*
> Consolidated Docket Nos. TO-031973 & TO-081785

Dear Mr. Danner:

The parties to the above-referenced consolidated proceedings, Olympic Pipe Line Company ("Olympic"), Tesoro Marketing and Refining Co. ("Tesoro"), and WUTC Staff, hereby <u>jointly waive administrative review of the Administrative Law Judge's Initial Order,</u> dated December 4, 2008.

The Initial Order states, in pertinent part, that:

This Order grants Olympic Pipe Line Company's motion to reopen Docket TO-031973 to consider an amendment to the Tariff Settlement Agreement, approves and adopts the Amended TSA, approves and adopts the Settlement Agreement between Commission Staff and Olympic, and grants the company's petition requesting approval of the transfer of property intended in the Storage Lease Agreement between Olympic and BP West Coast Products, LLC.
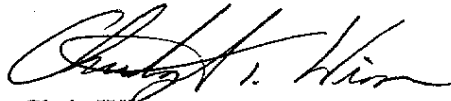

Initial Order, ¶ 1.

An Initial Order may become final and effective without Commission approval if no party seeks administrative review within 20 days and the Commission opts not to undertake administrative review on its own motion. RCW 80.01.060. The parties agree that the Initial Order should become final and have agreed to waive administrative review in order to expedite that process.

Counsel for Tesoro and WUTC Staff have authorized the undersigned counsel for Olympic to submit this notification on their behalf.

Very truly yours,

DANIELSON HARRIGAN LEYH & TOLLEFSON LLP
