Description	<p>Dear Mr. Ward and those involved with WUTC</p> <p>My wife and I live in the Orcas highlands. We are retired and on a fixed income. We pay close attention to our finances. With the many cost of living increases in the country and here on Orcas Island it is becoming more and more difficult.</p> <p>We pay Rosario Utilities additional fees other than just for water. An increase for the use of water as proposed seems extremely high and unfair. When you think about your decision, please consider the many retired home owners that will be affected.</p> <p>Thank you:</p>
