#### **REQUEST:**

The table below was extracted from the Federal Energy Regulatory Commission's (FERC) e-Library site. For all Spokane River Projects under FERC Docket Nos. P-2545 and P-12606, provide all monthly construction reports submitted to FERC since December 2014. Provide copies of these reports continuously through the discovery deadline in this case as indicated on the procedural schedule as September 22, 2015. For each report submitted to FERC, identify the Business Case in Schuh's Exhibit No (KKS-5) along with ERs that correspond to each specific report.

Category/ Accession	Doc Date/ Filed Date	Docket Number	Description
Submittal 20150313-5082	03/13/2015 03/13/2015	P-2545-000	Avista Corporation's submittal of the February 2015 Monthly Construction Report for the Nine Mile Hydroelectric Project Powerhouse Rehabilitation Program, Units 1 and 2 Replacement under the Spokane River Project P-2545. Availability: CEII
