(Now Set for Wednesday, August 3, 2016, at 1:30 p.m.)**

RE: *In the Matter of the Petition of PUGET SOUND ENERGY, INC., for (i) Approval of a Special Contract for Liquefied Natural Gas Fuel Service with Totem Ocean Trailer Express, Inc., and (ii) a Declaratory Order Approving the Methodology for Allocating Costs Between Regulated and Non-regulated Liquefied Natural Gas Services, Docket UG-151663*

TO ALL PARTIES AND INTERESTED PERSONS:

On August 11, 2015, Puget Sound Energy, Inc. (PSE) filed with the Washington Utilities and Transportation Commission (Commission) a Petition for Approval of a Special Contract for Liquefied Natural Gas Fuel Service with Totem Ocean Trailer Express, Inc., and a Declaratory Order Approving the Methodology for Allocating Costs between Regulated and Non-regulated Liquefied Natural Gas Services.

The Commission held a hearing in this matter on May 29, 2016, at which the parties agreed to PSE's proposal to engage in mediation before setting a procedural schedule to adjudicate the petition. The Commission accepted the parties' agreement and on June 1, 2016, issued a notice scheduling a status conference and prehearing conference for July 29, 2016.

A scheduling conflict has arisen, and the Commission needs to reschedule the status conference and prehearing conference to August 3, 2016, at 1:30 p.m. The Commission invites the mediator to attend the status conference to provide his perspective on the parties' mediation efforts.

**THE COMMISSION GIVES NOTICE that it will hold a status conference and prehearing conference at 1:30 p.m., on Wednesday, August 3, 2016, in Room 206, Second Floor, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.**
