RE: *Washington Utilities and Transportation Comm'n v. Puget Sound Pilots*  
Docket TP-190976

Dear Judges Pearson and Howard,

It has come to Staff's attention that Staff filed an incorrect cross-examination exhibit on Friday, August 7, 2020. Staff had sought an unencrypted document from the Governmental Accounting Standards Board (GASB). Staff received and filed an unencrypted document from GASB, but the document was not the same as the document Staff had intended to file. Staff has since received the correct, unencrypted document and is filing that document as a revised cross-examination exhibit with this email. Staff intends for this filing to replace the currently filed Exh. JN\_X(1). This should not prove objectionable to the other parties. We hope that this meets with your approval.

Sincerely,

/s/ Sally Brown, WSBA No. 17094
