1 On June 17, 2016, the Washington Utilities and Transportation Commission (Commission) entered Order 03/04, Final Order Modifying Initial Order (Final Order), in the above-captioned dockets.<sup>1</sup> The Final Order modified the penalty assessment against Bobby Wolford Trucking & Salvage, Inc. d/b/a Bobby Wolford Trucking & Demolition, Inc. (Bobby Wolford Trucking or Company) in Order 02/03, Initial Order (Initial Order) for operating as a solid waste carrier without the required Commission-issued certificate. Specifically, the Commission assessed a penalty of \$73,100, of which the Commission suspended \$35,000 for a period of two years on the condition that Bobby Wolford Trucking complied with the orders in these dockets. The Final Order did not modify the Initial Order's imposition of the full penalty assessed in Order 02 in Docket TG-143802, of which \$21,186.30 remains outstanding.

<sup>1</sup> That order summarizes the prior procedural history, which we will not repeat here. *See* Final Order ¶¶ 1-7.

2 On June 27, 2016, Bobby Wolford Trucking filed a Petition for Stay of Final Order and Petition for Reconsideration of Final Order (Petitions). On July 8, 2016, the Commission entered Orders 04/05 denying the Company's Petitions.

3 On July 11, 2016, Bobby Wolford Trucking contacted Judge Kopta expressing interest in working out a payment plan for the \$59,286.30 total due and payable. Judge Kopta forwarded the request to Staff, and Staff followed up the Company. On August 4, 2016, Staff and the Company agreed in principle to a Proposed Payment Plan, which requires the Company to pay the remaining penalty of \$21,186.30 from Docket TG-143802 in a single payment, but allows the Company to pay the \$38,100 penalty from Docket TG-151573 in twelve monthly installments of \$3,175.00. Under the Proposed Payment Plan, Bobby Wolford Trucking would make the following payments:

5           The Parties recommend that, should the Company fail to pay any installment by the due date, or fail to pay at least the minimum monthly installment by the due date, the entire remaining balance of payments and the entire suspended portion of the penalty become immediately due and payable without further Commission order.
