COMMISSION

Dear Ms. Maxwell:

Please find the attached Consolidated Communications, Inc. (“Consolidated”) FCC Form 477 summary report, with data as of December 31, 2021, filed in accordance with WAC 480-123-030(1)(e) for Consolidated Communications of Washington Company, LLC (“CCWA”). Since the FCC Form 477 data is filed on a total Consolidated company basis, the underlying data for only CCWA is attached as a separate file. Please note Consolidated originally filed this same information on the UTC Web Portal, March 4, 2022, but inadvertently used an incorrect Docket number.

Pursuant to regulations cited in WAC 480-07-160, CCWA requests portions of this filing be treated as confidential and not subject to public inspection. The information is not publically available and if subject to public disclosure would cause significant commercial and competitive harm to CCWA. Pages containing such information have been labeled accordingly and the confidential information highlighted. Public versions of the documents are also enclosed where applicable. Note that where multi-state information is included on the documents, the data for states other than Washington has been redacted in both the public and confidential versions as that information is outside jurisdiction of the WUTC.

Please do not hesitate to contact me as indicated below with any questions or concerns regarding this filing.

Kind regards,

Floyd Jasinski
