**RE: Docket UE-200980 (Advice No. 2021-19) – Confidential Work Papers  
Power Cost Only Rate Case (“PCORC”) of Puget Sound Energy (“PSE”)  
Compliance Filing - DO NOT REDOCKET**

Dear Mr. Johnson:

Enclosed please find work papers filed in support of the tariff sheets in PSE’s compliance filing that PSE has filed under separate cover within this docket. Please note that some of these work papers contain information designated as CONFIDENTIAL per Protective Order in WUTC Docket No. UE-200980. Therefore, pursuant to WAC 480-07-160 and WAC 480-07-140, PSE requests that the enclosed work papers be accorded confidential treatment.

As required by WAC 480-07-160, PSE identifies the following entities which might be directly affected by disclosure of the confidential information: all of PSE’s sales customers, as impairment of PSE’s negotiating ability in the wholesale market could translate to higher rates and PSE’s ability to provide competitive service would be impaired. In accordance with WAC 480-07-160 and WAC 480-07-140, the work papers containing confidential information have been marked with the legend “Shaded information is designated as CONFIDENTIAL per Protective Order in Docket UE-200980.” PSE is also providing a public set of the same work papers.

The compliance filings made under Docket UE-200980 and PSE’s Advice No. 2021-19 have been served to each party to this proceeding.
