COME NOW, Hydro One Limited (“Hydro One”) and Avista Corporation (“Avista”) (together, “Movants”), respectfully move the Commission for an Order that would reopen the record<sup>1</sup> in this proceeding for the limited purpose of admitting as Exhibit BR-7 (attached) a copy of a News Release, dated November 7, 2018, identifying seven (7) of the nine (9) board members who would serve on Avista’s Board of Directors, if the merger is approved.

Movants believe that this will help inform the Commission of the selection of the actual board members, their names, professional histories, connection to the Pacific Northwest Region, as well as their independent status. Accordingly, the representations made in Commitment No. 3, concerning board membership and independence can be compared with the announced selections.

Movants do not believe that accepting this exhibit will burden the record and no party in this proceeding objects to this Motion.

<sup>1</sup> At the conclusion of the evidentiary hearing on October 23, 2018, Administrative Law Judge Moss announced the closure of the record.

RESPECTFULLY SUBMITTED, this 14<sup>th</sup> day of November, 2018.
