Re: Docket No. UT-100562

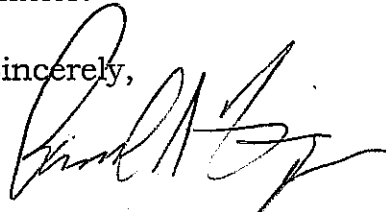

Dear Mr. Danner:

At the close of the workshop on July 27, 2010, it was agreed that the WITA Concept Paper that was discussed at the workshop would be filed and made part of the record in the proceeding. As it was explained at the workshop, the Concept Paper, copy attached, is very much a work in progress.

WITA expects that there will be changes to the Concept Paper in the near future and that revised versions will be made available to the Commission.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
