**NOTICE SETTING TIME FOR RESPONSES TO
MOTION TO FILE SUPPLEMENTAL TESTIMONY**

**(Electronic submission required by Monday, August 12, 2013, at 12:00 p.m.;
Filing required by Tuesday, August 13, 2013)**

RE: *Washington Utilities and Transportation Commission v. PacifiCorp, d/b/a Pacific Power & Light Company*, Docket UE-130043

TO ALL PARTIES:

On August 6, 2013, PacifiCorp, d/b/a Pacific Power & Light Company (PacifiCorp) filed a motion with the Washington Utilities and Transportation Commission (Commission) seeking leave to file certain supplemental testimony and an accompanying exhibit of Gregory N. Duvall. PacifiCorp states that it found the proffered exhibit on August 1, 2013, one day before rebuttal testimony was due in this case, and that the exhibit will contribute to the Commission's having a full and complete record in this docket.

The Commission has reviewed the filing and determined that there is good cause for expedited action on the motion, given that the hearing in this docket is scheduled to begin on August 26, 2013. Nevertheless, the parties must have an adequate opportunity to respond to the motion. Balancing these competing concerns, the Commission requires that any responses to the motion must be submitted electronically to the Commission by 12:00 p.m., **Monday, August 12, 2013**. Parties submitting responses must ensure Commission receipt of an original and the required number of copies on the following business day.
