Re: *Washington Utilities and Transportation Comm'n v. Puget Sound Pilots* - Docket TP-1909

Dear Mr. Johnson:

Enclosed for filing in the above-referenced docket are Pacific Merchant Shipping Association's errata, MM-16r2, revised Exhibit List and Certificate of Service. The revision to MM-16r2 is identified by striking through the term "Assignment" and replacing it with "Vessel Moved". The corresponding testimony from Capt. Moore does not require revision as it correctly references vessel moves.

Feel free to contact me should you have any questions.

Sincerely,

FOSTER GARVEY PC
