Re: Dockets UE-210822 & UE-121697 Comments of Puget Sound Energy

Dear Director Killip,

Puget Sound Energy (PSE) submits these comments in response to the Washington Utilities and Transportation Commission's (Commission) February 7, 2025 Notice of Opportunity to File Written Comments in this docket (Notice). In the Notice, the Commission invites comments on the amended paragraphs 237 of Order 7 in Docket UE-121697 and Order 01 in Docket UE-210822.

PSE agrees with the Commission's well-reasoned amendments in dockets UE-121697 and UE-210822 to consider utilities in compliance with their biennial conservation acquisition targets when events occur beyond their reasonable control. The proposed amendments to the above reference orders in these dockets are consistent with the Revised Code of Washington 19.285.040. Therefore, PSE supports the amendments as provided in the Notice.

Thank you for the opportunity to submit these comments. If you have any other questions, please contact me.

Sincerely,

/s/ Wendy Gerlitz
