**Re: Puget Sound Energy, Inc. 2017 General Rate Case
Docket Nos. UE-170033 and UG-170034**

Dear Mr. King:

In reviewing the materials that were filed in Puget Sound Energy's ("PSE") initial filing on January 13, 2017 in the above-referenced dockets, PSE discovered minor nonsubstantive errors that it would now like to correct for the record. Pursuant to WAC 480-07-460(1)(b)(iii), enclosed please find the original and twelve (12) copies of the following:

1. Revised pages 25 and 28 of the Prefiled Direct Testimony of David E. Mills, Exhibit No. ___ (DEM-1T).
2. Revised Eighth Exhibit to the Prefiled Direct Testimony of Michael Mullally, Exhibit No. ___ (MM-9C). PSE discovered the confidential electronic and paper versions of this exhibit filed and served January 13, 2017 were incorrectly paginated. The version submitted with this filing corrects the pagination error. With the exception of the incorrect pagination the documents are identical. Please note the redacted version of Exhibit MM-9C filed and served January 13, 2017 was correctly paginated as filed and is unchanged.

If you have any questions, please contact the undersigned.

Very truly yours,

Sheree Strom Carson
