STAFF RESPONSES TO DATA REQUESTS

DATE PREPARED: November 20, 2024 DOCKET: TG-240189 REQUESTER: Waste Management	WITNESS: Bridgit Feeser RESPONDER: Bridgit Feeser TELEPHONE:
--	--

**DATA REQUEST NO. 23:**

Feeser's testimony references certain events in WMW's regulatory history. See Ex. BF-1T at 17:6-16. Feeser does not explain how the referenced events relate to the Commission's enforcement policy or inform Staff's recommended penalty. Please explain how Staff believes the history recounted by Feeser supports Staff's recommendation of the maximum monetary penalty.

**RESPONSE:**

See Staff Response to Waste Management Data Request No. 22. This is not the company's first time in front of the commission for non-compliance. The commission may consider less of a penalty for those who have never been before them for non-compliance. Compliance history is one factor for consideration.
