Re: *Washington Utilities and Transportation Commission v. Avista Corporation, d/b/a Avista Utilities*, Dockets UE-120436 and UG-120437, and Dockets UE-110876 and UG-110877 (Second Phase) (*Consolidated*) and Docket UE-130536.

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 09/14 in Dockets UE-120436 and UG-120437, and Dockets UE-110876 and UG-110877, Rejecting Tariff Filing, Accepting With Conditions Multi-Party Settlement Agreement, Authorizing Tariff Filing, And Requiring Compliance Filing, in these dockets. (Order 09/14). It, among other things, rejected tariff proposals by Avista Corporation d/b/a Avista Utilities (Avista), but authorized the Commission Secretary to approve by letter, with copies to all parties, revised tariff sheets that comply with the requirements of Order 09/14.

The Commission entered Order 01 in Docket UE-130536, Order Granting Accounting Petition, which authorized the accounting treatment of: 1) transmission revenues associated with a settlement between Avista and the Bonneville Power Administration and 2) Reardan Wind Project development costs. The Order, among other things, required Avista to file a tariff that, as part of its compliance filing authorized in Docket UE-120436, credits customers during 2014 with approximately \$4.2 million associated with transmission revenues from 2013 and 2014.

On September 27, 2013, Avista filed electric and natural gas tariff sheets as specified in the Orders discussed above. A list of the tariff sheets is attached to this letter. The Commission has examined the filing, and it appears to comply with the terms of Order 09/14 and Order 01.

Therefore, the tariff sheets indicated on the attachment to this letter will become effective as filed with an effective date of January 1, 2014.

Sincerely,

STEVEN V. KING  
Executive Director and Secretary
