Subject: January 2008 Service Quality Report – Revised Sheets

Dear Ms. Washburn:

Please substitute to two enclosed sheets for the corresponding documents we filed previously pursuant to WAC 480-120-439. On the summary sheet, the January 2008 Network Trouble figure is revised from 0.75 to 0.74. On the confidential detail sheet, the company-wide total figures and the figures for the following offices are revised: Benton City, Everett Casino, Everett Main, Halls Lake, Redmond and Republic.

Central office level detail is marked "Confidential pursuant to WAC 480-07-160" as it includes access line count and activity information that would have economic value to the Company's current and potential competitors, such as in determining when and where to begin or modify competitive operations. In addition to the information required by WAC 480-120-439, we are also enclosing twelve month running trouble report document at the request and for the convenience of the Commission Staff.

If you have any questions concerning this report, please call me at 425-261-5006 or email me at richard.potter@verizon.com.

Very truly yours,
