Re: *Aqua Express*, Docket No. TS-040650

Dear Judge Rendahl:

In your June 24, 2004, "Notice of Additional Hearing Day and Notice of Time to File Witness Summaries and Proposed Exhibits," you set a deadline of noon today for the Applicant, Commission Staff and the IBU to file (via email or fax) witness summaries and proposed exhibits, if any, for any witnesses they intend to present during the scheduled hearings in this matter.

Please be advised that based on the current state of the record, Commission Staff does not intend to present a witness during the scheduled hearings in this docket. Of course, Commission Staff will continue to participate in the hearing and post-hearing processes.

Very truly yours,

DONALD T. TROTTER
Senior Counsel
