RE: Docket TR-100572 – Annual Compliance Filing

Dear Mr. King,

Please find attached, data requested for the Piert Road crossing.

You will also see, hand written on the sheets, that Agrium Us Inc. has 2 trains per day that utilize the crossing and contain hazardous material. Columbia Colstor, Inc. also has 2 trains per day and contain french fries.

There is a discrepancy on the south volumes that we believe is attributed to the employee entrance between the counters.

I hope that you find this information satisfactory but should you have any questions or concerns, please contact me and I will do my best to provide additional information.

Sincerely,

Daniel S. Ford, PE – County Engineer
