ERRATA TO ORDER 01

RE: *In the Matter of the Application of Jammie’s Environmental, Inc.*, Dockets TG-220243
and TG-220215 (*consolidated*)

TO ALL PARTIES:

On June 8, 2022, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Consolidating Dockets; Granting Petitions to Intervene; Prehearing Conference Order; Notice of Hearing (Order 01) in the above-referenced dockets.

It came to the Commission’s attention that Appendix B to Order 01 did not fully reflect the parties’ proposed procedural schedule or the Commission’s decision to consolidate these dockets. Appendix B provided deadlines for “Applicant Direct Testimony and Exhibits” on September 16, 2022, and “Response Testimony from Protestants and Intervenors” on October 14, 2022. However, Appendix B should have indicated that the Complainant’s Direct Testimony would also be due September 16, 2022, and that Jammie’ Environmental, Inc.’s Response Testimony would also be due October 14, 2022. Appendix B is amended in part to reflect these additional deadlines:

Applicant Direct Testimony and Exhibits; Complainant’s Direct Testimony and Exhibits	September 16, 2022
Cross-Response Testimony from Protestants, Applicant, and Intervenors	October 14, 2022
