Docket No. UT-050814  
Commission Staff Exhibit List and Cross Examination Estimates

Dear Ms. Washburn:

Enclosed for filing in the above-referenced docket is Staff's Exhibit List. Staff will not use any exhibits in its cross-examination of witnesses, and so has no additions to the list that was earlier circulated to parties. Staff provides the following estimates of time for cross-examination:

King	15 min.
Roycroft	15 min.

Please contact me if you have any questions about this information.

Sincerely,

JONATHAN C. THOMPSON
