NOTICE CANCELLING STATUS CONFERENCE

RE: *In the Matter of the Petition of PUGET SOUND ENERGY, INC., for (i) Approval of a Special Contract for Liquefied Natural Gas Fuel Service with Totem Ocean Trailer Express, Inc., and (ii) a Declaratory Order Approving the Methodology for Allocating Costs Between Regulated and Non-regulated Liquefied Natural Gas Services, Docket UG-151663*

TO ALL PARTIES AND INTERESTED PERSONS:

On August 11, 2015, Puget Sound Energy, Inc. (PSE) filed with the Washington Utilities and Transportation Commission (Commission) a Petition for Approval of a Special Contract for Liquefied Natural Gas Fuel Service with Totem Ocean Trailer Express, Inc., and a Declaratory Order Approving the Methodology for Allocating Costs between Regulated and Non-regulated Liquefied Natural Gas Services.

The Commission held a hearing in this matter on May 29, 2016, at which the Parties agreed to PSE's proposal to continue mediation before setting a procedural schedule. Parties have been involved in ongoing mediation since that date, and have now informally notified the commission that they have reached a settlement and will shortly file their proposed settlement agreement. In light of this information, the Commission finds good cause to cancel the status conference now scheduled for 1:30 p.m., Friday, September 30, 2016.

The Commission will give formal notice of any further process scheduled in this docket.

THE COMMISSION GIVES NOTICE that the status conference currently scheduled for 1:30 p.m., Friday, September 30, 2016, is cancelled.
