* The information provided in this document was provided by Washington Department of Ecology. This information contains draft information which has not been published in the annual Vessel Entry and Transit report and may contain errors. It is known that these numbers do not have fishing vessels reported in the totals like the published VEAT Report.

11	ATB	13	20	20	9	9	12	13					

Notes: Data is from SPHS report
 SPHS counts shifts a separate rows in the arrivals report so those need to be manual counted/removed.
 SPHS counts separate entries for vessels which entered Washington then entered again after visiting Canada
 VEAT counts LPG vessels as C&P, but they are counted as tankers for this exercise.
