Re: In re Application No. GA-079331 of SURE-WAY SYSTEMS, INC. for a Certificate of Public Convenience and Necessity to Operate Motor Vehicles in Furnishing Solid Waste Collection Service
Docket No. TG-042089

TO ALL PARTIES OF RECORD:

On November 15, 2004, the Commission entered Order No. 01—Prehearing Conference Order; Notice of Hearing in the above matter. In that order the Commission set out a hearing schedule agreed upon by the parties. By notice dated June 6, 2005, the Commission modified Order No. 01 to extend the discovery deadline as stipulated by Applicant and Protestant Stericycle.

On August 1, 2005, counsel for Stericycle contacted the Commission to request a prehearing conference to discuss additional evidentiary hearing dates in September. The Commission convened a telephonic prehearing conference on August 2, 2005. The parties agreed to modify the procedural schedule to include the additional hearing dates, to accommodate Stericycle's operations witnesses. In addition, the parties agreed to extend the briefing schedule.

Notice is given that the Commission will hold additional hearings in Room 108 at the Commission's offices in Olympia, Washington, beginning at 9:30 a.m. on September 20-22, 2005.

Notice is further given that simultaneous initial briefs will now be due on October 28, 2005, with simultaneous response briefs due on November 18, 2005.

The Commission modifies Order No. 01 – Prehearing Conference Order to reflect the changes described above. In all other respects, Order No. 01 remains unchanged.

Sincerely,

KAREN M. CAILLÉ
