Re: **Docket UG-080546**
Supplemental Filing per Tim Zawislak
NW Natural Application for General Rate Increase

Dear Ms. Washburn:

Northwest Natural Gas Company (NW Natural or the Company) files herewith supplemental materials in Docket UG-080546 at the request of Tim Zawislak, Regulatory Analyst, WUTC. The documents are the same as were originally filed on 3/28/08 however NW Natural is providing the PDF versions of each which were not included in the original filing. In addition, we are providing "wired" or live versions of the Exhibits and Workpapers.

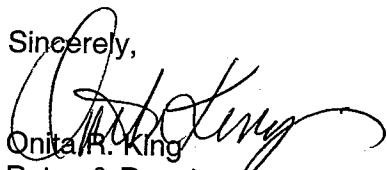

Enclosed please find a compact disk (CD) containing the following electronic documents in Word/Excel/PowerPoint and PDF form:

- NWN Advice No. WUTC 08-2/Advice Letter and Tariff Sheets (coded and uncoded)
- Case Summary
- Direct Testimony and Exhibits
- Workpapers
- Wired Exhibits
- Wired Workpapers
- Cost of Service Study – redacted version
- WAC 480-07-510 documents

Also enclosed please find three paper copies of the first page of the Cost of Service Study that supports the Testimony and Exhibits of Mr. David A. Heintz (DAH-1 through DAH-4). Because the Company considers the Cost of Service Study CONFIDENTIAL per WAC 480-07-160 it has been sent under separate cover clearly identified as confidential material.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Onita R. King
