Re: Docket No. UT – 100562 – Response to Additional Comments of the Washington Independent Telecommunications Association

Dear Mr. Danner:

In the Commission Workshop on July 27, 2010, I made a statement about then-Verizon NW's competition in its footprint with "self-funded" competitors. My statements were intended to relate to cable competitors, not wireless competitors. If I inadvertently referred to or suggested that my statements related to wireless competitors, that was not intended.

Thank you and please contact me with any questions

Sincerely,
