Re: Telecommunications Service Extension Rulemaking – WAC 480-120-071,
WAC 480-120-103, Docket UT-073014

TO ALL INTERESTED PERSONS:

On May 9, 2008, the Washington Utilities and Transportation Commission (Commission) issued a notice of a proposed rulemaking (CR-102) to all interested persons. The CR-102, as filed with the Code Reviser, is available for inspection on the Commission's web site at www.utc.wa.gov/073014. The CR-102 provided interested persons the opportunity to submit written comments on the proposed rules by filing with the Commission by June 6, 2008.

The Notice of Proposed Rulemaking published at WSR #08-10-102 and the notice to stakeholders originally set the date for the adoption hearing and intended adoption for June 26, 2008. The Commission recently learned that a few interested persons were inadvertently omitted from the Commission's mailing list. The Commission extends the date for filing comments to **July 16, 2008**. The Commission offers any stakeholders who have not yet filed comments and stakeholders who wish to file additional comments during this round the same extension of time.

In addition to extending the date for comments, this notice informs you of a change for the hearing to receive public comment regarding the adoption of rules in this docket. The Commission reschedules the hearing from 1:30 p.m., Thursday, June 26, 2008, to **1:30 p.m., Thursday, August 14, 2008**, in the Commission's Hearing Room, Second Floor, Richard

Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington. This continuation of WSR# 08-10-102 will be published as WSR 08-14-045. In all other respects the CR-102 remains unchanged.

Sincerely,

DAVID W. DANNER
