RE: Docket TR-100572 – Annual Compliance Filing

Dear Mr. King,

Please find attached data requested for the Piert Road crossing.

We have spoken with Agrium US Inc. and determined that an average of one (1) train per day uses the crossing. The train carries hazardous material, and uses the northern leg.

Our new Traffic Engineer, Mary Heather Ames, will be your point of contact moving forward. She can be reached by email at mary.ames@co.benton.wa.us or by phone at 509-786-5611.

I hope that you find this information satisfactory, but should you have questions or concerns, please contact us and we will do our best to provide additional information.

Sincerely,

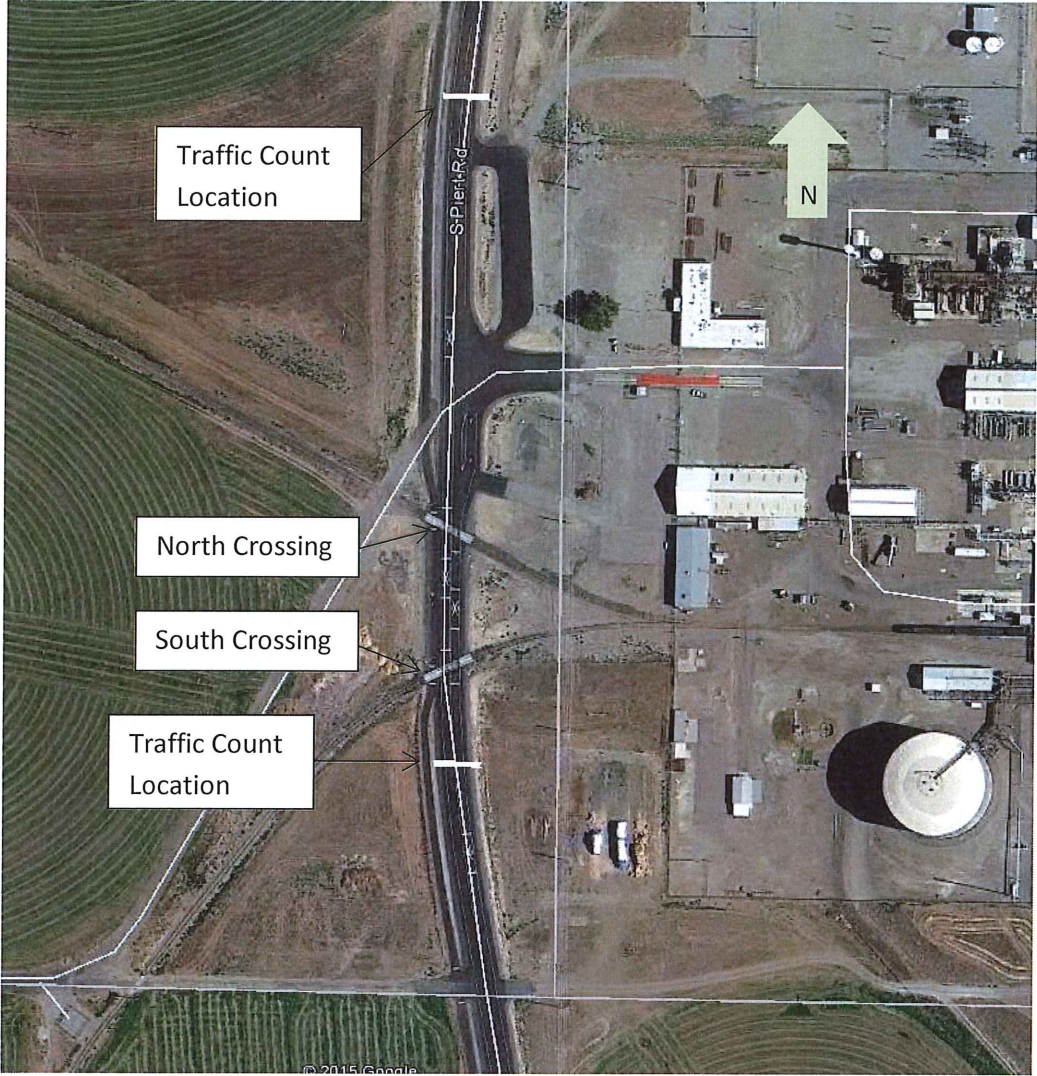

Daniel S. Ford, PE
Director of Public Works/County Engineer
