Re: **Docket UE-200115 – Do Not Redocket
Customer Notice of Public Hearings**

Dear Mr. Johnson:

Pursuant to WAC 480-143-120, Transfer Customer Notice Requirements, Puget Sound Energy (“PSE”) is providing a final copy of its electric customer notice regarding PSE’s request to sell its interests in the Colstrip Unit 4 coal plant in Docket UE-200115.

On July 9, 2020 Administrative Law Judge Andrew J. O’Connell suspended the entire procedural schedule in this docket. The procedural schedule in this docket was deemed suspended until such time that PSE filed its supplemental application. On August 20, 2020, PSE filed with the Commission a Supplemental Application. On August 26, 2020, the Commission formally acknowledged that PSE filed with the Commission its Supplemental Application. That acknowledgement from the Commission was the first official record of the entire procedural schedule no longer being suspended.

After August 26, 2020, PSE could then finalize and set into motion the customer notice. The notice of the filing and hearing dates occurred on September 4, 2020, in the form of an email delivered to 730,540 of an estimated 930,383 electric customers who receive monthly invoices. All electric customers were mailed the customer notice with a shortened notice period. Bill inserts for all monthly and some bimonthly customers began on September 10, 2020, including those that received the email notice on September 4. A separate mailing for the 11,780 remaining bimonthly customers began via direct first class mail on October 5, 2020. The attached notice has been reviewed by Commission Staff and the Public Counsel Unit of the Attorney General’s office.
