**PUGET SOUND ENERGY, INC.**

**FIRST EXHIBIT (PROFESSIONAL QUALIFICATIONS)  
TO THE PREFILED DIRECT TESTIMONY  
OF JASON M. SANDERS**

7 **Q. Please state you name and business address.**

8 A. My name is Jason M. Sanders. My business address is 355 110th Street NE,  
9 Bellevue, Washington, 98009-5591.

10 **Q. By whom are you employed and in what capacity?**

11 A. I am employed by Puget Sound Energy, Inc. ("PSE") as Manager, Business  
12 Services.

13 **Q. What are your duties as Manager, Business Services?**

14 A. As Manager, Business Services, I manage the development and implementation of  
15 PSE' s business customer service strategy. I lead and manage account managers  
16 and business services team personnel, who focus on serving PSE's medium and  
17 large business accounts. My organizational responsibilities include: anticipating  
18 and resolving customer issues; marketing PSE programs, products and services;  
19 identifying need and developing solutions to better serve customers;  
20 implementing educational programs to increase customer awareness and  
21 knowledge. Additionally, I serves as a key source of market intelligence and  
22 knowledge about business customers, and I integrate efforts of managed accounts,  
23 business advisor team and the customer care center.

1 **Q. Briefly describe your education and experience.**

2 A. I received a Bachelor of Science degree in Biology from Washington State  
3 University in 1991. In 1996 I received a Master of Science degree in Industrial  
4 Hygiene and Safety from the University of Washington. I have also completed  
5 the Management Program at UW Business School, Executive Program, and I  
6 completed PSE's Leadership Development Program.

7 I joined PSE in 1999 as a Corporate Safety and Health Consultant. Prior to  
8 joining PSE, I was a Safety and Health Administrator at the Boeing Company and  
9 an Industrial Hygienist at Clayton Environmental Consulting. I have  
10 continuously progressed at PSE through the following positions: Manager, Safety  
11 and Operations Training; Manager, Substation Operations; Labor Relations  
12 Consultant; Human Resources Business Partner, and Major Accounts Executive.  
13 As Major Accounts Executive, I managed over 30 major account customers in  
14 government, military, commercial, education, manufacturing and data centers  
15 sectors. I was responsible for customer relations and marketing with emphasis on  
16 contract negotiations. Additionally, I coordinated PSE efforts in the development  
17 and implementation of rates, energy supply options, technology innovations,  
18 utility operations, energy efficiency initiatives and system reliability. In May  
19 2013 I took on my current role as Manager, Business Services.
