Good afternoon.

On January 31, 2006, the commission issued a penalty assessment in the amount of \$100 to Washington Moving & Storage, Inc. The company has not paid the penalty. On May 2, the company requested its household goods permit be canceled. The permit was canceled on May 3.

We requested authorization from Sally Johnston to write off this penalty. She agreed that the penalty be written off. Her response is attached below.

Would you confirm with me once this penalty has been written off, and please let me know if you have questions?

Thank you,

Washington Moving & Storage, Inc.

On January 31, 2006, the commission issued a Notice of Penalties to Washington Moving & Storage, Inc. (Washington Moving) in the amount of \$100 for a violation of WAC 480-15-480. WAC 480-15-480 requires household goods carriers to file annual reports with the commission no later than May 1 of each year. The company did not respond to the Notice of Penalties within 15 days. Staff sent a letter signed by Carole Washburn on April 24, 2006, stating that if payment was not received by May 10, 2006, the commission would consider additional sanctions and the matter would be referred to the Office of the Attorney General. The company did not respond.

On May 2, 2006, Washington Moving requested the commission cancel its household goods permit number HG-19148. The company's permit was canceled on May 3, 2006. Based on this information, we are requesting authority to write off the \$100 penalty assessed against Washington Moving.

Please let either of us know if you have any questions. Thank you.
