Dear Jim,

This is a letter in response to your proposed rate increase for the Roche Harbor Water System. We accept your rates of;

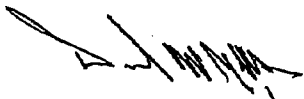

- Base: \$25.00 zero usage
- 1 - 5,000 gallons \$1.80 per 1,000 gallons
- 5,001 - 10,000 \$5.10 per 1,000 gallons
- 10,001 & over \$7.90 per 1,000 gallons

We will have our other staff member hired by July 1, 2006, for a half year payroll sum of \$19,400.

We tried both of Rick Finnigan's phone numbers & left messages that we need a redo for the new tariff rate sheet. Just incase he is gone for the day; we used his revised sheet with our original proposed rates & pasted over them with the ones we've just agreed on. I believe Rick is gone all of next week as am I. This is only a quick fix if he can't do it until he gets back.

Thank you very much for all of your assistance Jim.

Sincerely,

David W. Gibbs
