Subject: Permission to write-off

Good afternoon Sally.

I'm requesting permission to write off a \$100 penalty assessment issued to Metro Warehouses, Inc. (TV-071257) for failure to file a 2006 annual report. The penalty assessment was issued on June 29, 2007. Payment was not received and the company didn't request mitigation. We sent a late notice on August 13. Still no response from the company.

On August 7, 2007, the company's household goods permit was suspended for lack of insurance on file with the commission. Thirty days later the suspension became a cancellation. Since the company no longer holds a HG permit, it seems unlikely we'll ever receive payment for the penalty and it seems prudent to just write it off.

Thank you for your consideration,
-Sheri
