Subject: Permission to write-off penalty assessment

Good afternoon Sally.

I'm requesting permission to write-off a \$100 penalty assessment issued in TE-080337 to CUSA PRTS, LLC, for failure to file its 2007 annual safety report timely. On June 23, 2008, the company's request for voluntary cancellation of its charter/excursion authority was granted and its certificate was canceled. The company stated in a phone conversation with me that it was an error made by a previous company employee that it applied for UTC authority as the company does not now and never has operated intrastate in Washington. Since the company voluntarily canceled its certificate authority, I believe writing off the penalty is the best decision.

Thanks for your consideration.
