Subject: Docket No. TC-090275

Spokane Transit has received notice of an application to provide service between the Spokane Airport through the downtown area. The Docket Number is #TC-090275. Spokane Transit currently provides service to the Spokane Airport and to some of the streets that are described in the notice. Spokane Transit is also in the process of increasing service to the Spokane Airport by realigning existing routing through Browne's Addition. This service is anticipated to be implemented in September 2009. STA wants to make sure that the applicant is aware of existing and planned improvements to the Spokane Airport. Below are the links to Routes 64 and 61 serving the Spokane Airport. If you have any questions, please feel free to contact me.
