Re. Docket TS -090381

Dear Mr. Danner,

We respectfully request a revised effective date for the Lake Chelan Recreation, Inc., Docket TS-090381 filing. We request that the effective date be revised to May 1, 2009. This is in response to the WUTC staff concern that there is not sufficient time to examine records for our case.

We contacted Lars Kasch at the Pacific Inland Tariff Bureau to rewrite the tariff pages, after being informed this morning by Chris Mickelson, WUTC that we must submit replacement tariff pages that have the new effective date. However, Mr Kasch spoke with Gene Eckhart, later in the morning, and was told that we did not need to submit revised tariff pages. Mr. Kasch has submitted to the WUTC what he understood to be the needed information.

Please advise us if this letter, along with the information from the Pacific Inland Tariff Bureau does not suffice to consider our request.

Thank you for your assistance, we await your response.

Sincerely,
Cindy Engstrom
