RE: Notice of Intent to Send to Collections, Penalty Assessment No. 090956

Dear Mr. Tanner:

As you are aware, on July 1, 2009, the Washington Utilities and Transportation Commission ("commission") issued a Penalty Assessment against T&S Transportation & Installation, Inc. in the amount of \$200 for violations of commission rules requiring household goods carriers to file annual reports by May 1 each year. T&S Transportation has failed to file annual reports for both 2007 and 2008, and has incurred a penalty of \$100 per violation.

The commission has not received the \$200 payment due and owing.

This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$200 balance.

If you have any questions about this letter or about the company's obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

Sally Brown
Senior Assistant Attorney General
